Bournemouth open meet 19/20 December

Poole took 19 swimmers to the first targeted open meet this season to gain Regional Qualifying Times.

The meet was a great success with 10 swimmers qualifying for the 2010 Westerns over 15 races (only 2 swimmers were qualified last year in December). I wish to congratulate those swimmers who did very well with a special mention to Harry Kemp, David Martins, Katie Mills, Daniel Monk and Jessica Richens who qualified at this level for the very first time. Many other swimmers came very close to the targeted times but I have no doubt that they will all make it later in the season. No worries!

The amount of RQT (15), medals (35) and pb's (59) shows a great improvement of the swimmer's level within the club. This is very encouraging for all of us swimmers, parents and coaching staff. Congratulations and thanks for the great job, to all of you!
